

LOZÄRN

CARMÉNÈRE 2017

While this wine is still very young you will definitely be delighted by the cherry notes on the nose and deep purple plums.

Soft notes of mocha .

A wine for celebrating the week's end; to pair with a lamb shank, slow roasted with root vegetables, finished with a crème fraiche reduction.

Note from the winemaker:

So extremely happy to see this wine going in to the world! Fruit and softness, in short! It's divine.
